

<HelloWorld/> Coding Club

Give your kids an edge for life –
Teach them to code!

- Now in our 8th year! New session starts October 1, 2022
- Small, in-person classes for kids aged 11-14
- Classes meet on Saturdays 10:00 am – 12:00 pm
- Real-world development tools (Visual Studio / C#)
- Taught by a veteran software developer
- Our graduates are now CS majors at elite colleges!
